

A&P's Low Prices make it easy as punkin pie to save money on your

# Thanksgiving Feast!

**Customers' Corner**  
 Will A&P be put out of business if the anti-trust lawyers win their suit against this company?  
 Absolutely! And here's why:  
 A&P's retail stores will be broken up into seven groups and sold to new owners.  
 A&P's factories, which produce many of our fine foods, will be sold to still other new owners.  
 None of the stores and factories can be connected in any way, which will wipe out the savings you now enjoy on the foods A&P makes.  
 None of the present owners or management who have made A&P what it is today can have anything to do with either the stores or the factories.  
 So, while there may be a food store where your A&P is now located, it won't be your A&P store. It will be operated by different owners and under new management.  
 Make no mistake about it, if the anti-trust lawyers win their suit it will mean the end of A&P as you know it.
